A time to be born and a time to die.

A time to kill and a time to heal . . .

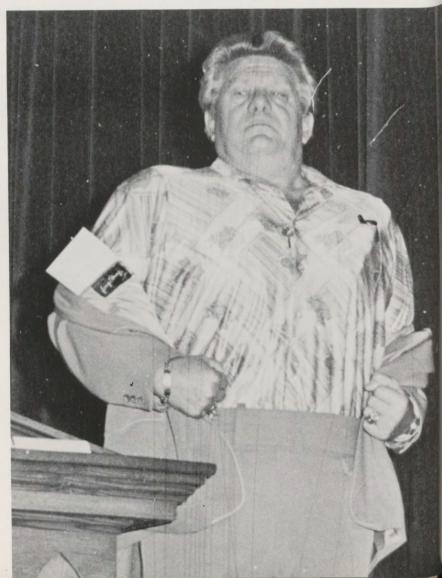

A time to weep and a time to laugh.

A time to mourn and a time to dance.

A time to embrace and a time to refrain from embracing.

A time to get and a time to lose.

A time to keep and a time to cast away ...

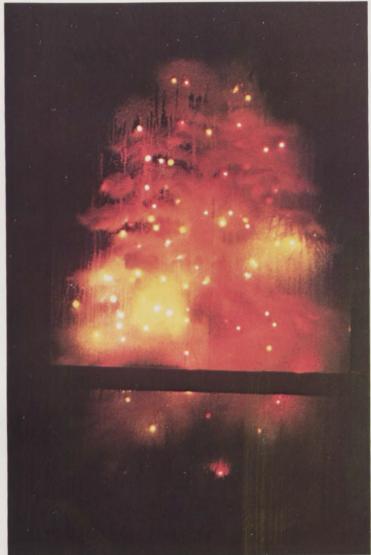

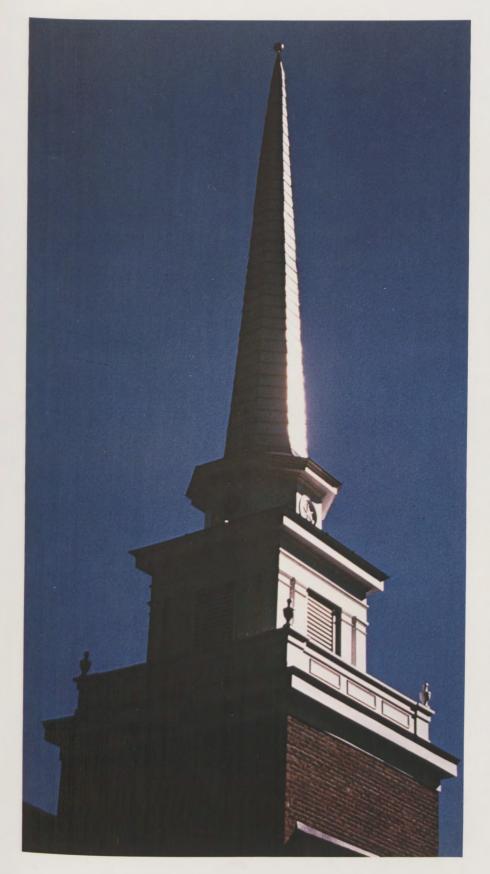

A time to keep silence and a time to speak.

A time to love, and a time to hate; a time of war and a time of peace.

#### WHO'S WHO

This year thirty-one seniors were selected for inclusion in the official publication of Who's Who Among Students in American Colleges and Universities. Selection is made on basis of scholarship, citizenship, service, character and loyalty to the ideals of Mississippi College.

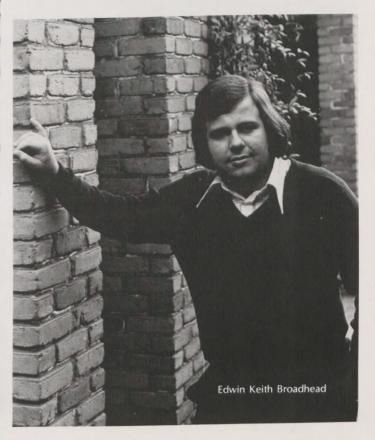

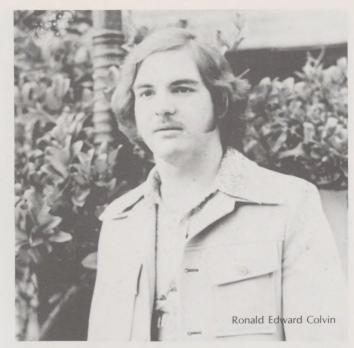

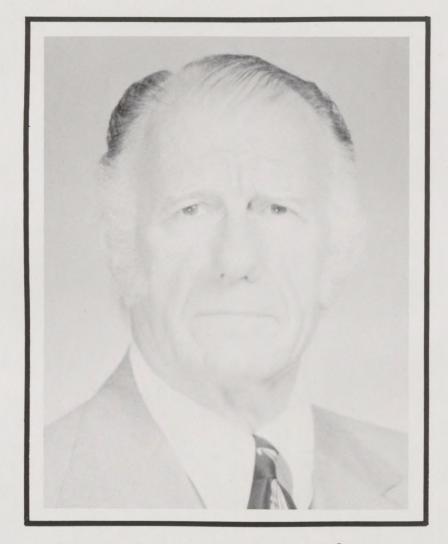

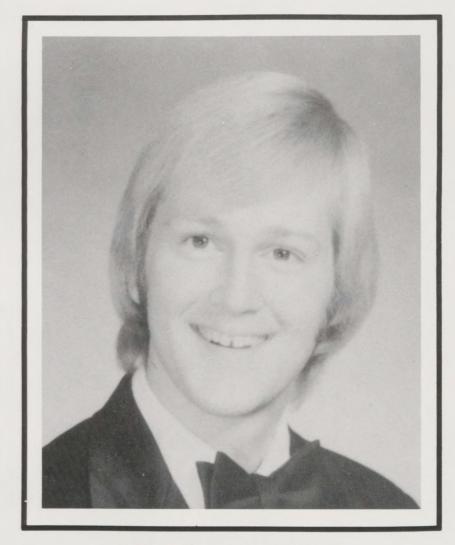

#### IN APPRECIATION

Troy Morgan Mohon Registrar 1954-1977

Mr. Mohon left a position at Clarke College in 1954 to come to Mississippi College as Registrar. For the past twenty-four years he has counseled with and kept track of the records of literally thousands of students. During his early years at MC the Registrar's Office was responsible for recruitment and admissions as well as record keeping. Records were kept and processed manually until the College acquired a computer in 1964. To Mr. Mohon we of **The Tribesman**, on behalf of Mississippi College, express appreciation for 24 years of faithful and dedicated service and responsible Christian leadership. Mr. Mohon holds the B.A. degree from M.C., the M.A. from George Peabody College for Teachers and has studied further at the University of Southern Mississippi, the University of Mississippi and Yale University.

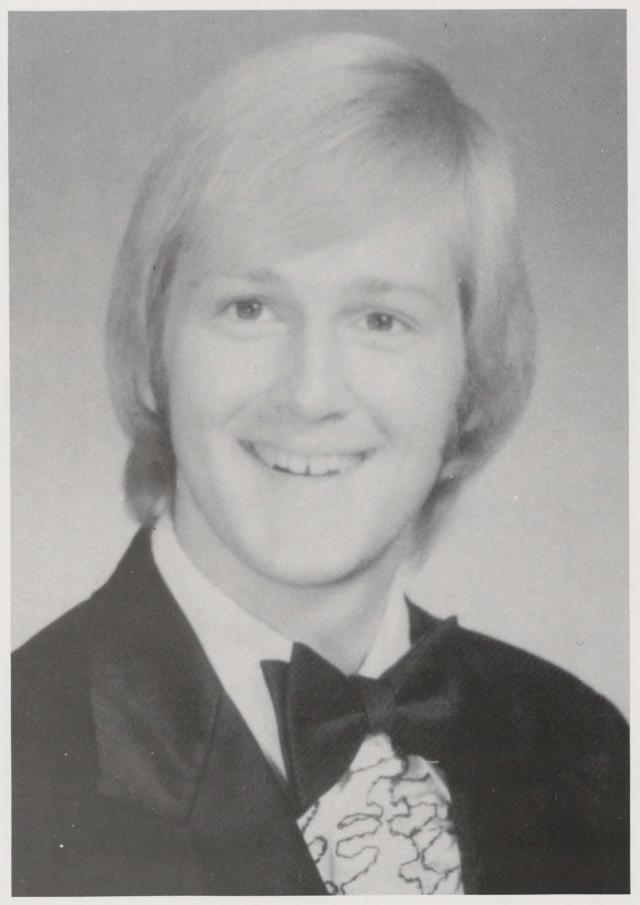

### **FOUNDERS AWARD**

The Graduate School at Mississippi College offers ten graduate degrees with thirty different programs. Enrollment continues to reach new heights each year with a current enrollment approaching one thousand. The Annual Staff regrets that it was impossible to secure pictures of every graduate student due to their being in school primarily at night.
